ROTARIES **HydroClean**

Truvox's comprehensive range of Orbis single disc rotaries includes machines for stripping, scrubbing, spray cleaning, polishing and shampooing. Versatile, economical and powerful enough for the toughest floor maintenance demands.

Orbis® eco

This cost-effective rotary comes inclusive of a driveboard, and arrives preassembled to save you both time and money.

- Folding handle for easy storage
- Ergonomic design and low vibration levels for operator comfort and ease of use
- High pad/brush pressure for effective cleaning
- Available in 200 rpm, 400 rpm and Duo dual speed
- High productivity through 1100 W motor
- Optional solution tank* for wet scrubbing

Model		Orbis® eco 200 (43cm)	Orbis® eco 400 (43cm)	Orbis® eco DUO (43cm)

Cable length	m	15	15	15
Warranty	2 years subject to conditions			

*The water tube required for the solution tank is only fitted as standard on the 200 & Duo models

ROTARIES

Orbis® Compact

A lightweight machine for small area cleaning and polishing.

- High pad/brush pressure for effective scrubbing
- 28 cm (11") diameter for easy manoeuvrability in confined areas
- 240 rpm for optimum cleaning power
- Optional solution tank* for wet scrubbing
- Convenient quick-fold handle for easy storage and transport

Orbis® 200/ 200^{HD}/400

These machines offer exceptional handling and productivity for cleaning and polishing hard floors.

- Orbis® 200 is ideal for cleaning, scrubbing, carpet shampooing and bonnet mopping
- Soft start motor system for easy handling
- Orbis® 400 is ideal for polishing and spray cleaning
- Optional spray attachment and solution tank* available for improved productivity and cleaning results
- Available in 38 cm (15"), 43 cm (17") & 50 cm (20") versions

Orbis® Duo

This machine combines the best features of the 200 and 400 single speed machines.

- For scrubbing and polishing
- Ergonomic design and adjustable handle height suitable for any user
- Light weight and low vibration levels give excellent operator comfort – even on long cleaning shifts

**110v models available

Orbis® UHS 1500

Ultra high speed single disc burnisher that delivers high productivity and high quality results.

- 1500 rpm for maximum gloss/shine
- Built-in floating pad assembly gives full pad contact
- Straight line operation for maximum productivity
- Easy and comfortable to use, ideal for long cleaning shifts
- Built-in dust collection
- Available in 43 cm (17") or 50 cm (20") working width
- Delivered preassembled with handle, saving time
- Folding handle for easy storage

Orbis® UHS Cordless Burnisher

Battery powered, ultra high speed rotary burnisher designed for daytime cleaning when customers, staff or patients are present.

- Burnishes at 1500 rpm for highly polished floors
- Up to two hours burnishing on a single battery charge
- Central castor wheel with a more evenly distributed pad loading for better performance
- Low profile for greater accessibility in all those awkward places
- Optional spray attachment

ROTARIES

Orbis® Orbital 1500

Combines orbital and rotary motions into one, providing a constant vibration that increases cleaning efficiency.

- The roto-orbital movement gives the machine great stability enhancing the performance compared with a regular single disc machine
- Easy to use
- Suitable for use on different floors including carpets, hard floors, vinyl and stone
- Large wheels for easy transportation
- Optional additional weight of 12.5 kg available
- Optional solution tank, spray attachment and 12.5kg weight are available to improve productivity

INJECTION/ EXTRACTION

Truvox offers a range of carpet cleaning machines that are suited to both small and large areas. Cleaning deep into the carpet these machines are ideal for care homes, schools and offices.

Hydromist® Compact

An all-in-one spray extraction machine for carpet and upholstery cleaning.

- Easy to use all-in-one machine
- Powerful vacuum, pump and brush motors give maximum productivity
- 250 mm cleaning width
- Powerful built-in rotary brush lifts dirt from deep within the carpet
- High capacity 14 litre solution tank for maximum cleaning and minimum refilling

Model		Hydromist® Compact
Product Code		HC250
TECHNICAL SPECIFICATION		
Voltage AC (~)/ Frequency	V/Hz	230/50-60
Vacuum Motor Power	W	1200
Airflow rate	l/s	56

Warranty	1 year subject to conditions	

Hydromist® Lite

Light and compact carpet and upholstery spray extractor.

- Two-stage action gives professional results every time:
 - Spray cleaning solution into soiled carpets or upholstery
 - Extracts dirt and stains with its powerful 1100W vacuum motor
- Easy to fill and empty removable tanks
- Simple controls for ease of use
- Comes complete with tools for cleaning carpets, upholstery and car interiors

Hydromist® 10/10HD/20HD

Compact spray extractors for effective carpet cleaning, that are ideal for use in nursing homes, day centres, hotels, shops, offices and the hire trade.

- Powerful 72 psi pump sprays solution deep into carpet pile releasing more dirt
- Strong 1100W vacuum maximises solution recovery, minimising carpet drying time after cleaning
- Available in 10 or 20 litre capacity
- Compact size enables cleaning in confined areas

Hydromist® 55 100/400

Spray extractors ideal for large area carpet cleaning in conference centres, hotels and offices.

- Available in two models:
- Hydromist® 55/100 offers an economical way to clean large carpeted areas with a spray injection of 100 psi
 - Hydromist® 55/400 offers an in-line heater and variable spray injection of up to 400 psi for the ultimate performance
- Both Hydromist® 55 models feature:
- 50 litre solution tank to maximise cleaning capacity
 - Powerful twin 2-stage vacuum motors that provide excellent solution recovery and minimise drying time

Hydromist® 35

Self-contained carpet extractor that cleans in a single pass and leaves carpets almost dry.

- 35 litre capacity and 45 cm cleaning path is ideal for large areas
- Solution is delivered at 100 psi through two jets for even application
- Floating brush head maintains contact with carpet for improved agitation
- Separate vacuum, brush and pump switches for ease of use
- Compact unit for easy storage

VACUUMS

The Truvox range of commercial vacuum cleaners offers reliability, suction power, task-specific filtration and ease of use. Ideal for daytime cleaning in commercial environments.

Valet Battery Upright II & Valet Battery Backpack

These battery powered vacuums offer great performance and provides access to areas without power. Both models include a quick interchangeable battery system that enables longer run times.

Valet Battery Upright II

- Lithium-ion battery provides 50 minutes of runtime
- HEPA 13 bag included
- Convenient carry handle for easy transportation
- Weighing only 5.5kg makes it ideal for transporting between cleaning jobs

Valet Battery Backpack

- Lithium-ion battery provides 55 minutes of runtime
- Specially designed Aircomfort system from Deuter keeps a layer of air between the operator and the machine
- Colour coded display indicating the battery status

VTVe

A compact tub vacuum that offers great performance, excellent manoeuvrability and has an A energy rating.

- Weighing only 6kg the VTVe is light and manoeuvrable making it ideal for transporting between cleaning jobs
- Cable storage wrap to prevent tangling
- 11.5 litre capacity for high productivity
- Inclusive of HEPA 13 fleece bag
- Storage of the crevice tool and brush tool at the rear of the machine for easy accessibility during use

Valet Wide Area Vac

The 70 cm cleaning width and high efficiency twin 1000 W vacuum motors make this vacuum ideal for large area vacuuming.

- 1800 rpm brush loosens deep down dirt and revives carpet pile
- Brush height can be adjusted to five different positions, depending on the type of carpet you are vacuuming
- Large 40 litre capacity for maximum productivity

VBPIIe

Ideal for small and congested areas such as theatres, buses and trains.

- The ergonomic back support and harness positions the unit away from the operator's body and comfortably supports the machine on the hips
- 4-stage filtration system
- Supplied with carpet and hard floor tools plus accessory tool kit to suit your cleaning needs

Valet Aqua 20 Heavy Duty

Its 20 litre capacity and compact size makes this vacuum ideal for those smaller jobs in offices, education facilities and leisure centres.

- Swivel hose connector allows the vacuum to be moved without fear of disconnection
- Polyethylene tank for durability
- Castors give exceptional mobility
- Supplied with a full set of tools

Valet Aqua 55 Heavy Duty

This wet/dry vacuum is designed for heavy duty commercial use and to help maintain a safe working environment.

- Simple and easy to use
- Avoid slip hazards by removing spillages
- Polyethylene tank for durability
- Drain hose for easy emptying
- Supplied with a full set of tools

Valet Aqua 55 / 75 Industrial

The 18 gauge stainless steel tank adds to its long lasting durability. Perfect for hard floor maintenance jobs, recovering floor strippers and hard floor cleaners.

- Durable trolley with push handle for easy manoeuvrability
- Swivel hose connector allows 360° hose rotation, letting you move the vacuum without fear of disconnection
- Tank hinges on frame for easy “tip and pour” emptying
- Supplied with a full set of tools
- Valet Aqua 75 Industrial has twin motors that give the airflow required for extreme heavy duty performance

SCRUBBER DRYERS

Truvox scrubber dryers are simple to operate, adaptable and produce consistently good cleaning results regardless of operator, floor type or application environments.

SCRUBBER DRYERS

Multiwash™ II 340/Pump Battery

The battery powered Multiwash™ is ideal for cleaning during the day where staff, patients and customers are present.

- No trailing cables minimising the risk of trips and slips
- Continuous run time of up to 50 minutes
- Quick change battery system enabling longer run times with a second battery
- 4 litre solution tank that is removable and easy to clean

Model	Multiwash™ II 340/Pump Battery	
Product Code	MW340/PUMP/B	
TECHNICAL SPECIFICATION		
Charging Voltage AC (~)/ Frequency	V/Hz	100-240/50-60
Battery voltage DC	V	24
Battery Details	Ah	10
Motor Power (+ pump)	W	300 + 26
Run time	mins	50
Charge Time	hrs	5.5
Solution tank capacity	litres	4
Productivity Rate	m²/h	930
Brush width	cm	34
Brush speed	rpm	400
Brush pressure	g/cm²	250
Sound pressure level	dB(A)	66
Dimensions (L x W x H)	cm	37.8 x 44 x 111.4
Weight	kg	22
Warranty	1 year subject to conditions	

Orbis® Battery Scrubber II

This compact and manoeuvrable battery operated scrubber dryer is ideal for small to medium sized areas in restaurants, schools, leisure centres and healthcare premises.

- 17 litre solution tank capacity making it one of the largest capacity scrubber dryers in its class on the market
- 38 cm cleaning width
- Easy to fill and empty solution and recovery tanks
- Cleans approximately 1100 m²/hour
- Battery run time of 80 minutes
- Inclusive of maintenance free gel batteries and integrated charger making it simple to recharge at any location
- Works on multiple hard floor types including concrete, terrazzo, marble, slate, stone and vinyl composition

Model	Orbis® Battery Scrubber II	
Product Code	OBS38130/G	
TECHNICAL SPECIFICATION		
Charging Voltage AC (~)/ Frequency	V/Hz	220 - 240 /50-60
Battery voltage DC	V	24 (2 x 12V)
Battery Details	Ah	25 (C5)
Vacuum Motor Power	W	250
Brush motor power	W	260
Run time	hrs	1.3

Sound pressure level	dB(A)	65
Dimensions (L x W x H) with handle	cm	90 x 40 x 110
Dimensions (L x W x H) without handle	cm	90 x 40 x 75
Weight with batteries	kg	62
Warranty	1 year subject to conditions	

Multiwash™ Pro

The new re-designed range of Multiwash Pro scrubber dryers will wash, scrub and dry in just one single pass. Giving improved cleaning results, your floors will be left clean and dry ready for your customers and staff to walk on.

SIMPLE

One simple push button to dispense cleaning solution

4 LITRE TANK

Accessible and removable tank for fast filling, emptying and cleaning

ACCESSORIES

Side brush allows you to clean right up to the edge

Trolley allows for easy transportation

7 litre solution tank for greater productivity

VERSATILE

Effective on all floors with brushes available for carpets, hard floors, escalators and entrance matting

EASY

Handle assembly is quick and easy to assemble to the base, ready for the machine to be used

EFFECTIVE

Easy to change brush pressure to accommodate floor type and level of dirt

POWERFUL

Counter-rotating cylindrical brushes scrub & lift dirt and water onto a rotating recovery drum to pick up solution

EFFICIENT

Exceptional pick up of solution that leaves floors ready to walk on in seconds

INCREASED PRODUCTIVITY

Increased brush diameter gives 12% more scrubbing power providing an even better cleaning performance

THREE BRUSH

The Cimex range of three-brush multi-purpose floor cleaning machines offers unbeatable performance, ease of use and increased operator safety.

Cimex® Cyclone

Cimex cyclone scrubber/polishers are multi-purpose machines suitable for scrubbing, cleaning and polishing virtually every type of floor in a commercial or industrial environment.

- Ideal for concrete, wood, vinyl, carpet, rubber or tiles
- Floating brushes provide effective cleaning action of grout lines, slip resistant floors and textured natural stone
- Triple-brush action prevents cable snagging
- Reversing brush action extends brush life
- A complete range of brushes are available for carpet shampooing, scrubbing hard floors, cleaning quarry tiles and any dimpled or uneven floor surface

Cimex-Encap®

A high productivity, cost effective, low moisture carpet cleaning system.

- The system features polymer chemistry that encapsulates dirt for cleaner carpets for longer
- Deep cleaning restores brightness to even heavily soiled carpets
- Low moisture cleaning so carpets dry quickly
- No soil attracting residues, which means that carpets stay cleaner for longer

Cimex® Heavy-Duty

Heavy duty three-brush machines for scarifying, industrial cleaning and floor preparation.

- Cimex® triple brush action for safe operation and maximum effectiveness
- Auto reverse action for extended brush life and brush tip re-sharpening
- Triple-brush action prevents cable snagging
- Durable construction, designed for heavy duty industrial use
- Floating brushes effective on uneven surfaces
- Diamond finisher model for preparing and maintaining marble, terrazzo and other stone floors

ESCALATOR/ SWEEPERS

The X46 from Truvox offers a simple and effective way of cleaning escalator and travelator treads. The TruSweep 460 is a walk-behind manual sweeper that offers an efficient option for removing dirt and debris from areas that are not accessible by power.

Cimex® X46

Escalator and travelator cleaner that gives a powerful cleaning and vacuuming performance and is ideal for airports, shopping centres, retail stores, underground stations and hotels.

- Automatic brush height adjustment for uniform performance
- Portable for multi-escalator sites
- Very easy to use and minimal training required for increased efficiency
- Powered rotating brushes for fast, effective cleaning
- Brush change is quick and easy
- Inclusive of Tynex and nylon brushes for both routine and aggressive cleaning

Model		Cimex® X46

AIR MOVERS

A range of high performance carpet and room dryers that significantly reduce drying time of carpets, walls and ceilings, and are ideal for use after floods, spillages or extraction cleaning.

AM3000

This aerodynamic carpet and room dryer delivers powerful air movement and offers a durable solution for many environments including cleaning and restoration.

- 3 speed settings for controlled drying
- Ultimate manoeuvrability with carry handle
- Stackable for easy storage

Axial Fan

This dryer is one of the most effective solutions for structural drying after floods or leaks.

- High-volume, high-velocity airflow for the fastest possible drying
- Model available with built in trolley for easy transport

Hybrid Blower 3400

Compact, lightweight and powerful carpet dryer.

- High airflow for rapid drying
- Three-speed switch to select the optimal airflow for the job
- Easy-carry handles for comfortable portability
- Multiple position settings

NOTES

TRUVOX INTERNATIONAL LTD is a leading global manufacturer and supplier of commercial floorcare machines, based in Southampton, England.

From the production of its first electrical polishing machines in the early 1960's, Truvox has successfully expanded both its product range and its geographic reach to a point where it is now recognised in over 70 countries worldwide.

Offering a wide range of well established brands and products that include Orbis rotary burnishers, Hydromist carpet extractors, Valet vacuums, Multiwash scrubber dryers and Cimex three brush technology.

Meeting the needs of a wide range of markets including healthcare, education, retail and facility managers, Truvox work directly and indirectly through a network of dedicated dealers based across the UK and worldwide.

Priding itself in being a world leader in the design and production of innovative floorcare machines, Truvox demonstrates thorough attention to quality standards and is a BSI Registered Company (BS EN ISO 9001:2015).

In 2007 Truvox became part of the Tacony Corporation based in St. Louis, Missouri, USA, providing it with a world class development facility, access to an even wider range of product permutations and extensive sourcing options including manufacturing in the UK, USA, China and India.

HydroClean

Global Floorcare Solutions
