

Light and compact upright scrubber dryer

- Easy to use, low weight, easy to carry
- Flexible for both hard floors and small carpets (Option)
- Ergonomic two handed operation
- Easy maintenance
- Removable tank in tank system (Carry in one hand)
- Detachable cord 10 m
- Transparent solution tank for solution level control
- Simple on/off main switch (also solution pump can be turned off)

SCRUBTEC 130 E is an interesting choice for small shops, schools, restaurants, coffee shops, gas stations, bakeries, fast food chains, hotels, cleaning companies etc., and also in-home cleaning.

It is a small upright scrubber dryer, designed for cleaning of mainly hard surface floors, but can also clean small carpet areas, remove spots, etc. with an optional kit including carpet squeegees. By adding the optional kit, the machine gets ready for spot cleaning of carpets, cleaning of entrée carpets or small areas of textile flooring.
