

Hybrid and ePower driven combi machines

- ClearView sightlines and automatic speed reduction in turns for safer operation
- Tools-free tilt-out/lift-off recovery tank with integrated SmartFlow™
- Available with patented DustGuard™ airborne dust suppression technology
- High-capacity 198 liter front dry sweeper debris hopper with high-lift system
- Standard dual side brooms sweep entire squeegee path to minimize fouling
- Hybrid combination machine. Fuel less consumption, less. High running time on battery variant.
- Retractable offset deck and breakaway squeegee. Generation filtration system, variable filter shaking
- OneTouch™, MaxAccess, NoTools. More efficient service, extreme commonality among platforms.
- Hybrid technology and Ecoflex™
- Heated water, High pressure washer

GREENER, CLEANER, SMARTER. CS7010 reinvents an entire class of equipment by reducing total cost of ownership, including operation, labor and maintenance, while effectively increasing fuel economy and runtime efficiency. Now the most economical solution is also the most ecological.

TrackClean™
